## Snyder's of Hanover Products 100% Safe to Consume Not Affected by Peanut Butter Recall

(HANOVER, PA)– January 19, 2009 – Snyder's of Hanover would like to release the following statement about its snack products containing peanut butter.

No product made by Snyder's of Hanover is affected by the recent recall related to peanut butter. Snyder's of Hanover does not purchase any peanut butter, peanuts or peanut products from the Peanut Corporation of America. All of our products are safe to consume. This includes the following sizes of Snyder's Peanut Butter Sandwiches: 8oz, 2.125oz, 200g (sold in Canada), 1.5oz, and 1.0oz, as well as the 7oz package of Milk Chocolate covered Peanut Butter Sandwiches.

Snyder's of Hanover enforces the highest level of food safety with its raw ingredients and final product. By conducting extensive microbial testing of its peanut butter, we are ensured that Snyder's of Hanover products always contain the safest, highest-quality ingredients possible.

Consumers with any questions regarding this issue should call customer service at 1-800-233-7125 Ext. 1410.
